

EUROPEAN CANSAT COMPETITION

ESA PRIVACY NOTICE

Introduction

The European Space Agency (herein the “Agency” or “ESA”) is an intergovernmental organisation established by its Convention opened for signature in Paris on 30 May 1975 having its headquarters located at 24 rue du Général Bertrand, CS 30798, 75345 Paris Cedex 07, France.

Protection of Personal Data is of great importance for ESA, which strives to ensure a high level of protection as required by the ESA Framework on Personal Data Protection (herein the “ESA PDP Framework”) which applies in this field. ESA implements appropriate measures to preserve the rights of data subjects, to ensure the processing of personal data for specified and legitimate purposes, in a not excessive manner, as necessary for the purposes for which the personal data were collected or for which they are further processed, in conditions protecting confidentiality, integrity and safety of personal data and generally to implement the principles set forth in the PDP Framework, available at: [http://www.esa.int/About Us/Law at ESA/Highlights of ESA rules and regulations](http://www.esa.int/About_Us/Law_at_ESA/Highlights_of_ESA_rules_and_regulations)

ESA PDP Framework is composed of the following elements:

- the Principles of Personal Data Protection, as adopted by ESA Council Resolution (ESA/C/CCLXVIII/Res.2 (Final)) adopted on 13 June 2017;
- the Rules of Procedure for the Data Protection Supervisory Authority, as adopted by ESA Council Resolution (ESA/C/CCLXVIII/Res.2 (Final)) adopted on 13 June 2017; and
- the Policy on Personal Data Protection adopted by Director General of ESA on 5 February 2018 and effective on 1 March 2018.

This notice is intended to inform you, as data subject, about:

- the identity of the data controller and contact details of ESA Data Protection Officer (“DPO”);
- the type of personal data which is collected and processed;
- the modalities of collection of personal data;
- the purpose of the collection and processing;
- the recipients (if any) to whom the personal data of the data subject shall be disclosed;
- the time-limits for storing the personal data;
- the practical modalities of exercising the rights of the data subject under the ESA PDP Framework.

This notice also enables ESA to indicate how you can provide your consent relating to the collection and further processing of your personal data hereby described, under ESA PDP Framework.

(1) Who is the Data Controller and for which purposes?

Your personal data mentioned in this Privacy Notice as specified below are collected and further processed to enable your participation in the ESA European CanSat Competition, the performance of all activities necessary to conduct the European CanSat Competition and all communication in relation to the European CanSat Competition. For these purposes only, as well as for the purposes mentioned in Article 5 of ESA Policy on Personal Data Protection, ESA is Data Controller.

Company TBD has a contract with ESA as separate Controller and is responsible for the organization and logistics of the European CanSat Competition.

Where Company TBD is separate Data Controller, their Privacy Notice will be made available when the Company TBD is selected.

Company TBD acts as Data Processor on behalf of ESA to process the personal data “Photo, video, written//audio-recorded quotes” of participants, contained in the applicable consent form, which are therefore the only personal data that Company TBD shares with ESA.

ESA does not instruct any third party – including [Company TBD] – to conduct any web analytics, profiling or any other processing on ESA’s behalf, other than the purposes mentioned below.

ESA does not consider your personal data as an asset for sale or for commercial exploitation on behalf of ESA.

Your personal data may also be collected and processed upon an independent decision of Company TBD, in order to support the launch or the logistics of the European CanSat Competition. In this case, the privacy notices of those providers will apply and ESA will have no liability whatsoever in connection with collection and processing of Your personal data by these providers as separate Data Controllers.

For specific organizational and logistics purposes of the European CanSat Competition, such as enabling your online registration to the competition or shipping you goodies and/or certificates, ESA will, in its role of Data Controller, share some of the collected data with specific providers (listed under disclosure section (6) in this document), contracted by ESA as Data Processors.

In addition, for the fulfilment of the purposes and objectives of the ESA Education Programme of which the European CanSat Competition is part, such as communication and outreach purposes, and to inform you about future possibilities to be engaged, the data collected by ESA may – only upon your explicit consent - be disclosed by ESA to Companies listed in section (6) of this document and further processed by other ESA third parties as agreed in the contract.

This Privacy Notice also enables ESA to obtain your consent relating to the collection and further processing of your personal data, under ESA PDP Framework.

This privacy notice was last updated on: 02/05/

The description of the collected data, the justification for their collection and processing, and the role of the parties involved is provided in detail in the sections below.

(2) What are the contact details of ESA Data Protection Officer?

According to ESA PDP Framework, your first point of contact concerning personal data matters is the ESA Data Protection Officer (“DPO”), who may be contacted at DPO@esa.int.

For the contact details of Company TBD as separate Controller please refer to their Privacy Notice available at [this link](#).

(4) How are your personal data collected or further processed?

Your personal data may be collected through various means, including via:

by ESA (Data Controller 1):

- ESA’s cansat@esa.int email account.
- **ESA European CanSat Competition online registration** form.

And by Company TBD (Data Controller 2) according to their applicable legislation and practices.

(5) Why are your personal data collected and further processed?

Your personal data are collected and further processed for the following purposes:

5.A) For the organization and logistics of the European CanSat Competition:

- ***Purposes of Data collection and processing by ESA (Data controller 1):***

- a) Checking eligibility criteria compliance by using data such as age ranges and country of residence.
- b) Enabling access and participation in the virtual European CanSat Competition venues, wherever applicable, as well as interaction with the ESA subject experts supporting the European National Competition. This may include webinars and meetings in videoconference.
- c) Communicating via e-mail and/or phone with the student team teachers/mentors, jury member and possible external observers, in order to provide organisational information/updates and answer queries.
- d) Creating participation certificates which contain the teacher/mentor and/or the student team names, school/organization name, country.
- e) Shipping goodies, prizes and certificates to the student teams (teacher/mentor or school/organization's shipping address, recipient's contact point's email and phone number); shipping thanking goodies to Jury members.
- f) Gathering key participation statistical data for educational research and stakeholder reporting.
- g) Creating and publishing outreach and promotional content and materials on the European CanSat Competition and the ESA Education Programme in general (including its ESERO project). Such materials may include participant's images/photos, videos, written/audio-recorded quotes, with option to opt out for each individual participant at online registration through the dedicated consent form thereby available.
- h) Informing participating teachers/mentors (individually, through emailing list, or newsletters) about future free-of-charge education opportunities and activities, and about additional possibilities to be involved, with option to opt out at registration.
- i) Other purposes that will be disclosed to you if and when such information is requested.

• ***Purposes of Data collection and processing by Company TBD (Data controller 2):***

Please refer to the Privacy Notice of Company TBD regarding how they, as separate Controller, process your personal data in the European Cansat Competition.

b.1) Company TBD enables access and participation in the physical and virtual European CanSat Competition venues. This may include webinars and meetings in videoconference, as well as logistics purposes such as coordinating hotel and transportation bookings, accessing competition venues (including launch field/range), adapting the facilities adequacy, printing of badges, and other logistics purposes and, if applicable, any COVID-19 related certification that may be required in accordance with the national law and regulations in force at the location and time of the Competition.

The personal data processed by Company TBD is at least, but not limited to: teacher/mentor(s) name, teacher/mentor's email and phone number, students names and, in case of physical event, ID details if so required for accommodation, transportation and/or physical access to competition venue(s), student's gender for hotel accommodation, special participant's needs and requirements in aggregated form (description and quantity); Jury member and possible external observer's name, email and phone number and, in case of physical event, ID details if so required for accommodation, transportation and/or physical access to competition venue(s), special participant's needs and requirements in aggregated form (description and quantity).

c.1) Communicating via e-mail and/or phone with the student team's teachers/mentors and jury members in order to provide organisational information/updates and answer queries.

The personal data processed by Company TBD is at least, but not limited to: name, email and phone number of teacher/mentor(s), external observers and jury members.

The following **Data Processors acting on behalf of ESA** as Data Controller (also listed in Chapter (6)) will process your personal data for the following purposes in particular:

Company TBD (Data Processor 1), responsible on ESA's behalf to make a photo/video/written reportage of the European CanSat Competition.

Data involved are: participant's images, videos, written/audio-recorded quotes, with option to opt out for each individual participant at registration through the dedicated consent form.

WDOIT (Data Processor 2), the company providing ESA with the servers where online registration for the European CanSat Competition is hosted.

Data involved are: all data contained in the European CanSat Competition registration form.

Hexpoor (Data Processor 3), the company contracted by ESA for storage and shipment of ESA goodies, to ship the student teams and jury members goodies and certificates.

e.3) Shipping goodies, prizes and certificates to the student teams (teacher/mentor or school/organization's shipping address, recipient's contact point's email and phone number); shipping thanking goodies to Jury members.

Personal Data involved are: Teacher/Mentor's full name, e-mail address, phone number, school or Organisation name and full postal address; Jury member and possible external observer's name, email and phone number and full postal address.

5.B) For the fulfilment of the purposes and objectives of the ESA Education Programme

The ESA Data processors indicated below may – *upon your explicit consent at registration* - process the following data for the following purposes related to the fulfilment of the purposes and objectives of the ESA Education Programme, of which the European CanSat Competition is part:

ESERO Office in Your Country (Data Processor 4), (see full list in Table 2 below) the organization contracted by ESA to deliver and promote the ESA school-level education programme in the ESA Member States, including the organization of the national CanSat competition in your country:

f.4) To support ESA in the promotion of the European CanSat Competition and the ESA Education Programme in general (including its ESERO project) in your country by creating and publishing outreach and promotional content and materials which may include participant's images, videos, written/audio recorded quotes, *the latter with option to opt out through the dedicated consent form downloadable at registration.*

Personal Data involved are: Photo, video, written//audio-recorded quote of students and Teacher/Mentor, Jury Member, *with option to opt out for each individual participant at registration through the dedicated consent form.*

g.4) To inform you - individually, through emailing list, or newsletters - about future free-of-charge education opportunities and activities, and about additional possibilities to be involved, *with option to opt out at registration.*

Personal Data involved are: Teacher/Mentor's full name, e-mail address, school or organisation name, school or organisation type, subjects of teaching/mentoring, students' age range in aggregated form, gender distribution in student team in aggregated form.

h.4) Other purposes that will be disclosed to you if and when such information is requested.

The national Space Agency/Office/ESA Delegation of your country (Data Processor 5), (see full list in Table 3 below) - also including your country's National Delegate to the ESA Advisory Committee on Education (ACE) - which is ESA's Stakeholder, and to which ESA reports:

g.5) To support ESA in the promotion of the European CanSat Competition and the ESA Education Programme in general (including its ESERO project) in your country by creating and publishing outreach and promotional content and materials which may include participant's images, videos, written/audio recorded quotes with option to opt out through the dedicated consent form downloadable at registration.

Personal Data involved are: Photo, video, written//audio-recorded quote of students and Teacher/Mentor, Jury member, with option to opt out for each individual participant at registration through the dedicated consent form.

h.5) To inform you - individually, through emailing list, or newsletters - about future free-of-charge education opportunities and activities, and about additional possibilities to be involved, with option to opt out at registration.

Personal Data involved are: Teacher/Mentor's full name, e-mail address, school or organisation name, school or organisation type, subjects of teaching/mentoring, students' age range in aggregated form, gender distribution in student team in aggregated form.

i.5) Other purposes that will be disclosed to you if and when such information is requested.

In addition to these purposes, the Agency may use your personal information for any of the purposes mentioned in Article 5 of the ESA Policy on Personal Data Protection.

(6) To whom might we disclose your personal data?

As introduced in Chapter 5, the Agency may disclose your personal data to any of the following third party recipients (Data Processors) for the fulfilment of all or part of the purposes of the collection and processing of personal data, which are:

Third party IT tools, including Social Media

Third party IT tools or social media may be used to inform you and to promote an activity (meeting, event). ESA websites may provide links to social media and videos may be available on ESA social media pages. If you view a video or interact with the social media or other websites, social media or third party cookies are likely to be installed on your device, covered by third party Terms and Conditions and cookie policies. ESA has no influence over these. Carefully assess the privacy policies and Terms and Conditions prior to use with regard to your data subject rights, further processing and to protection of your personal data.

Online webinars may be held using a third-party videoconference IT service such as Microsoft Teams or Webex, which process personal data according to their own cookies and privacy policies over which ESA has limited influence and does not necessarily advocate. By participating in the activity and using the IT tool, you consent to the processing of your personal data according to the third-party tool's conditions and its privacy policy.

The Agency and its Data Processors do not consider your personal data as an asset for sale and, thus, do not sell your personal data to any third parties.

(7) How long do we retain your personal data for?

The Agency and its Data Processors may keep your personal data for as long as necessary for the fulfilment of the above mentioned purposes, and in any case not more than 5 years from the moment of collecting your data. Your Personal Data shall be deleted thereafter.

Exception applies to the photo/video/audio-written records used for communication which will be retained by ESA for as long as the legitimate purpose persists, unless consent is withdrawn by the data subject (or his/her parent/legal guardian when applicable).

In its role of Data Processor for ESA, Company TBD, responsible to make the above mentioned photo/video/written reportage of the European CanSat Competition, will delete the collected photo/video/audio-written records within 60 calendar days from the conclusion of the European CanSat Competition.

For the retention period of the personal data collected by Company TBD in their role of separate Data Controller, please refer to their Privacy Notice.

(8) How can you erase, rectify, complete or amend your personal data?

The Agency is keen to collect and process accurate personal data and to keep it updated, where ESA is Data Controller.

You may request the erasure, rectification, completion or amendment of your personal data if, and to the extent that it is inaccurate or incomplete, having regard to the purposes for which they are collected and processed, or if they are processed in violation with the principles referred in ESA PDP Framework.

If you choose to make a request for the erasure of personal data, you understand and agree that ESA will not be able to process your registration or further participation in the European CanSat Competition.

The above-mentioned request should be submitted to the ESA DPO, as first point of contact, by sending an email to: dpo@esa.int in copy to: cansat@esa.int.

(9) What could you do in case of a data protection incident?

In case of a data protection incident, you should contact ESA DPO, as first point of contact, by sending an email to: dpo@esa.int in copy to: cansat@esa.int.

In case you wish to submit a complaint, you are required to comply with the Rules of Procedure of the Supervisory Authority set forth by ESA PDP Framework. You will be required to demonstrate that a data protection incident occurred in relation to your personal data, following a decision of the Agency or at least to justify serious reasons to believe that such incident occurred.

(10) Your consent

The processing of personal data described in this privacy notice is based on your consent.

You may provide your consent during the ESA online registration process to the European CanSat competition by accepting this Privacy Notice (selecting 'yes' in the related checkbox).

You can withdraw such consent by requesting ESA to stop the processing. This will not affect the legitimacy of the personal data processing that took place prior to the withdrawal of user consent.

You can withdraw your consent at any time by sending an email to ESA DPO at: dpo@esa.int in copy to: cansat@esa.int.

If you choose not to give or to withdraw your consent to the collection and processing of your personal data described in this Privacy Notice (with the exceptions of your opt-out options described in Chapter 5, points g) and h)), you understand and agree that you will no longer be able to participate in the European CanSat Competition.

For those cases where your consent was not already obtained by ESA (including by other modalities) and is required under the ESA Framework on Personal Data Protection, you hereby agree with the collection and further processing of your personal data.

You will be able to withdraw your consent depending on the modality used to collect your personal data, in particular:

- by sending an email to ESA DPO at: DPO@ESA.int in copy to cansat@esa.int.
