To be precise it is the first game which we all have installed on our mobile phones and it is very smooth, even if you are playing it on a device that is having a low configuration. So, in this game, you will have to run endlessly. Here the player will be a graffiti artist who is very young and because of applying graffiti in the site of the metro railway the police along with the dog are chasing him and he will have to run down the railroad track. You can also download our Temple Run 2 MOD APK. While they are running they will have to grab the gold coins and avoid the collision with the trains or any other objects which can disrupt their moving. For avoiding capture they will have to jump from and to the top of these trains. So it is the that will keep you engaged them from the moment the game starts and if you are getting distracted for a single second then the game ends there. You can download the Subway Surfers game from Google Play for free. How to download Subway Surfers Subway Surfers android is a non-paid game so go to the PlayStore application in your mobile and search the Subway Surfers. It requires only a small amount of data to download it. If you have a fast internet connection, then within 2 minutes of time you can download it. However, while going to install it on your mobile read all terms and conditions then agree on it for installing it on your devices. Once you finished the installation, you can play this game effortlessly. As I said before, this is an endless game so if you have leisure hours or you want relaxation, then play this game up to you getting bored. How to play When the dog and the inspector will be chasing the player they will have to navigate properly for escaping them and at the same time will have to avoid the collision with the trains or any other obstacles. So if there is any disruption, then the game will end there. You will be able to pick different types of coins, sprinting sneakers, magnets, score multipliers, jetpacks, scooters, and even gift boxes. Each of them will support you in different ways and help you to reach a greater score count. The jetpack will allow you to fly for at least 10 seconds, by using the hoverboard you can avoid the collision for 30 seconds. You will have to perform the weekly hunt and challenges for getting more rewards. Likewise, try out our Angry Birds Dream Blast MOD. Depending on your accuracy you will be leveling up. As you will level up, 14 more characters will be unlocked having specific abilities. If you can connect the game with the Facebook account then you can unlock the character of Dino. Game Features As you will be leveling up you will be getting different types of interesting characters. Until and unless you are collecting enough coins you won't have the ability to purchase anything. When the game starts you will be provided with all the basic amenities. Try to be very careful when you are reaching towards the tunnel. Try to look for specific items for playing the game more easily. Here in this game, you will be able to easily surf through different vibrant cities and discover the subways. This app has optimized itself with HD graphics. Why use Subway Surfers MOD APK? You can play this game even without the internet. There are many more features of Subway Surfers Hack APK which we will talk about below. But before that we get to know some things related to the original version of Subway Surfers Game. Subway Surfers Hack APK On 24 May 2012, Denmark based 2 private companies Kiloo and SYBO Games launched an endless runner mobile game. The same game is named Subway Surfers. This game is available for Android, iOS, Windows Phone, Windows 10 Mobile, Windows Phone 8, Macintosh operating systems and Fire OS etc. devices. Talking about the popularity of this game, Subway Surfers game is second in the most downloaded games in the world in iOS Device. Let me tell you, Subway Surfers is a game that first achieved one billion downloads on Play Store. This game was downloaded 2 billion times in May 2018, after 1 billion downloads were completed on the Play Store in March 2018. No game has been downloaded more than Subway Surfers from the Play Store so far. You must have understood the popularity of Subway Surfers by downloading numbers. This game is actually a very amazing game which is played by people of all ages. Every player wants to score higher than each other. Because the fun of playing the game only comes when you defeat the player ahead of you. But to do this you need a lot of Keys and Hoverboards and Coins. You have to collect all these things by playing the game. Or you can also make In-App Purchase. But I know that you do not want to spend your money in the game and you are not interested in collecting Coins and Keys. That's why you came to DivyaNet Don't worry Guys In this post I have shared Subway Surfers MOD APK for this reason. So that our visitors can get Unlimited Gold and keys without working hard. Well this was the information of Subway Surfers Original game and Subway Surfers Hack APK. Now we would like to share with you a little information about the gameplay. Also Check – Mini Militia MOD APK Subway Surfers MOD Gameplay When this game is downloaded and opened. Then clicking on the start button written on the touchscreen starts the game. The character given in the game and the Inspector and his dog start running as soon as the game starts. The Inspector and his dog chase and want to catch Jack (Character Name). Jack has to run away without being inspected. While running Jack has to collect Gold Coins, Keys, Shoes, Hover boards, magical boxes etc. Jack and Inspector run on the Metro. The longer the game runs, Jack's speed increases. Along with speed, the difficulties in front of Jack also increase. Such as escaping from moving trains, avoiding Poles at high speed etc. Jack has to do Swipe Up, Swipe Down, Swipe Left and Right to avoid all these Obstacles. If you swipe to the perfectly at the right time, then you will be able to play the game for longer. Jumping shoes are available in the game. With the help of shoes you can jump higher. The advantage of shoes is that suddenly the train comes from all sides, then there is no way to escape, then you can jump over the train. You also get Keys in Subway Surfers MOD APK. If you bump into and the Inspector catches you. By using Keys, then you will be able to start the game from where the Inspector caught you.
